Benutzerhinweise

In diesem Katalog sind die Daten von Fahrzeugen, Motoren und Geräten für den europäischen Markt von Baujahr 1983 bis einschließlich 2008 erfasst. Diese wurden aus Hersteller- und Importeurangaben, aus Fahrzeuguntersuchungen sowie aus Unterlagen von Bosch nach bestem Wissen sorgfältig zusammengestellt und geben den Stand zum Zeitpunkt der Drucklegung wieder.

Zwangsläufige Abweichungen durch länderspezifische technische Änderungen können nie ganz ausgeschlossen werden. Bosch kann daher insoweit nicht für die Vollständigkeit und Fehlerfreiheit der Daten haften. Für Irrtümer und Druckfehler, die zu Schäden am Eigentum oder Vermögen führen, haftet Bosch nur bei grob fahrlässiger Pflichtverletzung und bei Vorsatz für unmittelbare Schäden. Bei Personenschäden haftet Bosch auch bei leichter Fahrlässigkeit.

Notes for users

This catalog contains the data from the vehicles, engines, and equipment for the European market from year of manufacture 1983 up to and including the year 2008. This data has been assembled from information provided by manufacturers and importers, and taken from Bosch documentation, as well as from investigations made on vehicles. It has been compiled to the best of our knowledge and belief, and reflects the status at the date of going to print.

It is impossible to avoid deviations caused by technical changes resulting from the conditions and regulations applying in a particular country. Bosch can therefore accept no liability for the completeness and faultlessness of the data. In case of mistakes and misprints which result in damage to property or assets, Bosch is only liable for immediate damages insofar as a gross breach of duty or wrongful intent apply. If personal injury is involved, Bosch is liable also in case of ordinary negligence.

A l'attention de l'utilisateur

Le présent catalogue mentionne les données spécifiques de véhicules, moteurs et appareils pour le marché européen depuis l'année de fabrication 1983 jusqu'au millésime 2008 inclus. Ces informations ont été rassemblées soigneusement et en toute impartialité à partir des indications des constructeurs et importateurs, des contrôles techniques des véhicules et de la documentation Bosch, et matérialisent le stade des connaissances au moment de la mise sous presse.

Il n'est jamais possible d'exclure totalement les divergences éventuelles dues aux modifications techniques, spécifiques des différents pays considérés. En aucun cas, Bosch n'engage sa responsabilité en ce qui concerne l'intégralité et l'exactitude des données. En ce qui concerne les erreurs et les fautes d'impression, qui peuvent entraîner des dommages à la propriété ou à la fortune, Bosch n'engage sa responsabilité pour les dommages directs qu'en cas d'atteinte et de négligence graves et intentionnelles envers ses obligations. En cas de dommages causés aux personnes, Bosch engage sa responsabilité aussi en cas de légère négligence.

Avvertenze per la consultazione

Nella seguente parte di catalogo sono contemplati veicoli, motori ed apparecchi a partire dall'anno di costruzione 1983 fino all'anno 2008. Tali informazioni sono state rilevate dalle documentazioni di Case Auto, Importatori, da verifiche eseguite sui veicoli, così come da documentazione Bosch.

Eventuali discordanze dovute a specifiche esigenze del Paese e variazioni tecniche non possono essere previste. Per questo Bosch non si assume alcuna responsabilità per mancanze ed eventuali errori riferite ai dati. Per danni a cose o danni patrimoniali, dovuti ad errori o refusi di stampa, Bosch è responsabile solo in caso di dolo o colpa grave. Per danni alla persona, Bosch è responsabile anche in caso di colpa meno grave.

Avertencia al usuario

Los datos recogidos en este catálogo para vehículos, motores y maquinaria del mercado europeo abarcan los años de fabricación entre 1983 y 2008, inclusive. Estos datos han sido recogidos del fondo documental de Bosch, así como de las inspecciones de vehículos, datos de fabricantes e importadores.

No obstante, y debido al cuantioso material de información, no se puede excluir la posibilidad de modificaciones, diferencias propias de aplicaciones específicas de los países, fallos, equivocaciones o errores. En caso de inexactitudes y errores de imprenta, la responsabilidad de Bosch se limita al daño inmediato, con posibles perjuicios patrimoniales, a no ser que el daño previsible y típico del contrato sea de mayor cuantía o se deba a dolo o culpa intencionada o a negligencia grave.

Benutzerhinweise

Der Einsatzzweck und die elektrische Ausstattung eines Nutzfahrzeuges entscheiden über die richtige Wahl der Batterie. Bitte beachten Sie deswegen bei der Auswahl der Batterie Folgendes:

- Langstreckeneinsatz **mit** Hotelfunktion*
- (Spezial-)fahrzeuge **mit (viel)** elektrischer Zusatzausstattung, z. B. Feuerwehrfahrzeuge; Landmaschinen mit Klimaanlage, GPS usw.; Nfz mit Ladeboardwand
- Reise- und Stadtbusse

T5
T5
T5

- Lang- oder Kurzstreckeneinsatz **ohne** Hotelfunktion
- (Spezial-)fahrzeuge **ohne/wenig** elektrischer Zusatzausstattung, z. B. einfach ausgestattete Kommunalfahrzeuge, Baustellenfahrzeuge

T4
T4

Dies entspricht der Mindestempfehlung. Ein Upgrade T5 statt T4, T4 statt T3 ist möglich.

* Hotelfunktion: Es sind diverse elektrische Zusatzverbraucher wie z. B. TV, Radio, Funk installiert. Der Nfz-Fahrer wohnt und übernachtet in seinem Fahrzeug. Die elektrischen Verbraucher sind oft auch bei ausgeschaltetem Motor in Betrieb.

User notes

The intended use and the electrical equipment of a commercial vehicle play a crucial role when choosing the right battery. Please pay attention to the following:

- Long distance usage **with** sleeper cab*
- (Special) vehicles **with (many)** additional electrical consumers, e.g. firefighting vehicle; (high tech) agricultural vehicle with air condition, GPS, etc.; commercial vehicles with tail-lift
- Busses and Coaches

T5
T5
T5

- Long or short distance usage **without** sleeper cab
- (Special) vehicles **without (with few)** additional electrical consumers, e.g. simple outfitted municipal vehicles, construction vehicles

T4
T4

Above mentioned are the minimum battery line recommendations. Upgrading T5 instead of T4, T4 instead of T3 is always possible.

* Sleeper cab: The commercial vehicle is equipped with various electrical consumers, e.g. tv, radio, 2-way-radio. The driver lives and sleeps in his vehicle; the electrical consumers are often in use also when the engine is stopped.

Informations à l'intention des utilisateurs

Le type d'usage des équipements électriques d'un véhicule utilitaire jouent un rôle crucial lors du choix de la bonne batterie. Nous attirons votre attention sur les critères suivants:

- Véhicules longues distances **avec** cellule de vie*
- Véhicules spéciaux **avec beaucoup** de consommateurs électriques supplémentaires par exemple: véhicules incendies; véhicules agricoles haute technologie avec air conditionné, GPS, etc.; véhicules utilitaires avec plateforme de levage
- Bus et Autobus

T5
T5
T5

- Véhicules longues ou courtes distances **sans** cellule de vie
- Véhicules spéciaux **avec peu** de consommateurs électriques supplémentaires par exemple: véhicules de travaux publics

T4
T4

Les indications données ci-dessus sont des recommandations minimales de gamme de batteries. L'amélioration est toujours possible en choisissant la gamme supérieure: T5 au lieu de T4, T4 au lieu de T3.

* Cellule de vie appelée également fonction hôtel: le véhicule utilitaire est équipé de consommateurs électriques divers comme par exemple: radio, télévision, système de repérage et de radiocommunication. Le conducteur vit et dort dans son véhicule; les consommateurs électriques sont souvent utilisés lorsque le moteur est arrêté.

Note per l'utente

Il tipo di utilizzo di un veicolo commerciale e il suo sistema elettrico assumono un ruolo cruciale nella scelta della batteria più adatta. Prestate dunque attenzione ai seguenti elementi:

- Utilizzo per lunghe distanze **con** funzione hotel*
- Veicoli speciali **con (molteplici)** sistemi elettrici aggiuntivi Ad es. veicoli per Vigili del Fuoco; mezzi agricoli (ad alta tecnologia) con aria condizionata, GPS ecc.; veicoli commerciali con sponda idraulica
- Autobus e pullman

T5
T5
T5

- Utilizzo per brevi o lunghe distanze **senza** la funzione hotel
- Veicoli speciali **senza (o con pochi)** sistemi elettrici aggiuntivi Ad es. veicoli municipali con allestimento speciale di base, veicoli da costruzione

T4
T4

Quelle appena menzionate sono le indicazioni-base per quanto riguarda la linea di batterie. È sempre possibile passare a un livello superiore: T5 anziché T4, T4 anziché T3.

* Funzione hotel: I veicoli commerciali sono dotati di diversi sistemi elettrici aggiuntivi come ad esempio tv, radio, ricetrasmittente. L'autista vive e dorme nel suo veicolo; i sistemi elettrici restano spesso accesi anche mentre il motore è spento.

Notas de usuario

La intención de uso y el equipo eléctrico de un vehículo comercial juegan un papel crucial a la hora de elegir la batería correcta. Por favor, preste atención a lo siguiente:

- Uso de larga distancia **con** función hotel*
- Vehículos especiales **con muchos** consumidores eléctricos adicionales p.ej. vehículo contra-incendios; vehículo agrícola (de alta tecnología) con aire acondicionado, GPS, etc.; vehículos comerciales con plataforma elevadora
- Autobuses

T5
T5
T5

- Uso de larga o corta distancia **sin** función hotel
- Vehículos especiales **con pocos (o ningún)** consumidores eléctricos adicionales p.ej. vehículos municipales simples equipados, vehículos de construcción.

T4
T4

Las arriba mencionadas, son las recomendaciones mínimas de línea de baterías. Siempre es posible mejorar utilizando T5 en lugar de T4, o T4 en lugar de T3.

* Función Hotel: El vehículo comercial está equipado con varios consumidores eléctricos como p.ej. tv, radio, radio control. El conductor vive y duerme en su vehículo; los consumidores eléctricos se usan a menudo, incluso cuando el motor está parado.
